WOMEN
CODE-A-THON

Shape the future of technology
by contributing to the tools
that measure it.

COME CODE WITH US!

Join ChickTech and the BenchmarkXPRT Development Community for a **two-day code-a-thon** and add your voice to the tools that measure today's hottest tech.

MAR 12–13, 2016 | SEATTLE, WA

All participants have a
chance to win a cash prize.

1st place	$2,500
2nd place	$1,500
3rd place	$1,000

In the XPRT Women Code-a-thon, you'll have two days to create a small app, or "workload," that mimics an action you do on a portable device every day.

You can develop the workload for Android or for the Web in Javascript and/or HTML5. It will be eligible for inclusion in one of the BenchmarkXPRT tools, or XPRTs—apps buyers around the world use to choose the best tech for them.
